Reference: Kolinek v. Walgreen Co., Case No. 13-cv-04806

THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Your Honor,

I am enclosing a document I received regarding this settlement.

I am William Mann my address and phone number is indicated in the letterhead above.

I wish to make a comment and objection to this settlement.

I have been a customer of the Walgreen Co. (Walgreens) for many years.

Walgreens has never ever solicited or made any calls to me without my first calling them and requesting they, Walgreens, call me back. Walgreen Co. has always made it clear that I must request a renewal call on my prescriptions. And at each time with Walgreens I am asked would you like a call for the next renewal.

In the course of over 16 years, I have dealt with many Walgreens locations they have all displayed the same manner of professionalism as I have stated here.

It is too bad that such a fine pharmacy as Walgreen Co. has been put through a class action lawsuit.

My experience with Walgreens has been very professional.

CVS pharmacy, on the other hand, has made unsolicited calls and even billed my credit card without my permission. If anyone, CVS should be getting the law suit. Not Walgreen Co.

Thank you for reading my comments,

William Mann

A settlement has been reached in a class action lawsuit against **Walgreen Co.** ("Walgreens"). The lawsuit alleges that Walgreens made prerecorded calls to the cellular telephones of certain pharmacy customers to remind them when their prescriptions were due for refill ("Prerecorded Prescription Calls"), without their consent. Walgreens denies any wrongdoing and maintains that Prerecorded Prescription Calls are medical alerts that its customers want and are made with their consent. The settlement does not establish who is correct, but rather is a compromise to end the lawsuit. The lawsuit is called *Kolinek v. Walgreen Co.*, Case No. 13-cv-04806, and is in the U.S. District Court for the Northern District of Illinois.

Why am I being contacted? Our records show you may be a "Settlement Class Member." Settlement Class Members are all individuals in the United States who received Prerecorded Prescription Calls from Walgreens called on their cellular phones. You may be entitled to payment under the settlement if you affirm that you did not consent to receive the Prerecorded Prescription Calls, but in that case you will not be eligible to receive these reminder calls on your cell phone in the future unless you provide consent for future calls (which you may do on the Claim Form).

What can I get out of the settlement? If you're eligible and the Court approves the settlement, you could receive a cash payment. Settlement Class Members will receive equal shares of an \$11 million Settlement Fund that Walgreens has agreed to create, after the payment of expenses and fees. If the individual payments would be less than \$15, you will have a second chance to exclude yourself from the settlement or Walgreens may pay you the difference up to \$15.

How do I get my payment? Just complete and verify the short and simple Claim Form attached to this postcard. You can also get a paper copy of the Claim Form by calling 1-877-392-3209, or by visiting the website www.PrescriptionCallSettlement.com. You also have the option of filing a claim online. All Claim Forms must be postmarked or submitted on the settlement website by July 22, 2015.

What are my options? You can do nothing, submit a Claim Form, comment on or object to any of the settlement terms, or exclude yourself from the settlement. If you do nothing or submit a Claim Form, you won't be able to sue Walgreens in a future lawsuit about the claims addressed in the settlement. If you exclude yourself, you won't get a payment but you'll keep your right to sue Walgreens on the issues the settlement concerns. You must contact the Settlement Administrator by mail to exclude yourself. You can also object to the settlement if you disagree with any of its terms. **All Requests for Exclusion and Objections must be received by July 17, 2015.**

Do I have a lawyer? Yes. The Court has appointed lawyers from the law firm Edelson PC as "Class Counsel." They represent you and other Settlement Class Members. The lawyers will request to be paid from the Settlement Fund. You can hire your own lawyer, but you'll need to pay your own legal fees. The Court has also chosen Robert Kolinek—a Class Member like you—to represent the Class.

When will the Court approve the settlement? The Court will hold a final fairness hearing on August 5, 2015 at 9:30 a.m. at the Everett McKinley Dirksen United States Courthouse, 219 S. Dearborn St., Chicago, IL 60604, Courtroom 2103. The Court will hear objections, determine if the settlement is fair, and consider Class Counsel's request for fees and expenses (of up to 35% of the Settlement Fund) and an incentive award. These requests will be posted on the settlement website.
